# TOGETHER IN SCRIPTURE

## Genesis 14:1–14:24

### *Context: Setting the Table*

After the foundational account of the creation of the heavens and the earth, the book of Genesis divides into two unequal halves of five sections each. The first half of the book (2:4–11:26) deals with the history of humanity as a whole, from its creation to the birth of Abram. The second half of the book (11:27–50:26) focuses on the history of the patriarchs. In this third installment of the story of Abram, he delivers his nephew Lot from captivity and receives a blessing from Melchizedek.

### *Content: Hearing the Text*

Read Genesis 14:1–14:24 together out loud.

### *Credo: Believing the Truth*

Despite Abram's separation from Lot, he never ceased to care about the welfare of his nephew. When a powerful coalition of eastern kings took Lot captive, Abram acted quickly. Arming his servants and gathering his allies, he pursued after them. Against overwhelming odds, he defeated the kings of the east and rescued Lot. After receiving the blessing of Melchizedek, he gave him tithes of all before restoring the citizens and goods of Sodom to their ungrateful ruler. Through it all, whether Abram was failing miserably or succeeding brilliantly, God continued to pursue his plan to bless the nations through the seed of this particular man.

### *Conduct: Reshaping Our Walk*

Though Abram chose to forgo his right to personal enrichment from the spoils, he rightly refused to impose his choice on others. How might we be tempted to expect the sacrifices we have chosen for ourselves of our fellow believers?

*Examples:* Judging others who do not follow the extra-biblical standards that we have found profitable in our own lives; Secretly thinking that those who allow themselves a luxury or liberty we have chosen to give up must therefore be less "spiritual" than we are.

Our attitude toward money is one of the best indications of the true priorities of our hearts. What are some of the ways in which we could be tempted to place our needs and wants ahead of God's kingdom purposes?

*Example:* Seeking work based on salary alone without considering the impact our choice will have on our opportunities for ministry.

# Book *of the* Month Discussion

Early in the sixteenth century, legislative decree in England controlled people's access to Scripture and prohibited an English Bible. But theologian and linguist William Tyndale was determined to provide his fellow countrymen with Scripture they could read. In *The Daring Mission of William Tyndale*, Dr. Steven J. Lawson traces this daring mission, which was ultimately used by God to ignite the English Reformation yet would cost Tyndale his life.
